

The Sky's the Limit CTE Career Expo 2007

Dear Friend of Education,

The Sky is the Limit CTE Career Expo 2007 is for individuals of all ages who want to maximize their career potential. Educational and employment opportunities will be available on Saturday, October 6th, 2007 at the University of Phoenix Stadium from 9:00 A.M. to 2:00 P.M. The Career Expo will feature more than 220 business, education, and community exhibitors showcasing industry and educational opportunities. Industry and Education are working together to make this event happen by offering information about educational skills needed for future employment/current job placement. The activities of the day will focus on the uniqueness of every individual and the chance to use education as a means to a productive career. Job Interviewing opportunities will be available.

Events such as this one would not be possible without the donations and support from our Sponsors and Friends of Education. We are asking for your help to make this year's Career Expo one of the best yet! In the past, businesses have not only donated money, but also theater tickets, gift cards etc. (please see attached list) that highlight their company's products. These product donations will be an incentive for participants of the Career Expo to evaluate and reflect on their experience at the Career Expo. Your donations to this event are tax deductible. We hope that you take advantage of being a part of this special event.

If you HAVE contributed a tax-deductible gift to CTE Career Expo in the past, we are sincerely grateful. If you haven't yet contributed a gift to the Career Expo, we would appreciate your participation. After you decide what gift you want to contribute, please give the item and the completed form (including your signature) to the CTE Career Expo Representative. A copy of the signed and dated form will be mailed to you for your tax-donation purposes.

The Sky's The Limit CTE Career Expo 2007 Title Sponsors, West-MEC and the Maricopa Community College District, together with the Steering Committee; invite you to this unique event. Please join and support our efforts to provide the latest information to our vast audience. Be sure and check out the website www.ctecareerexpo.org. Please come and share this special event with us.

We can't spell success without u! Thank you, in advance, for your donation to this special event.
